President's Message

Hello everyone, I hope everyone enjoyed their off season. We are getting all set up for the 2025 season. Tina has got judges hired and getting contracts finalized.

I would like to welcome our 2 new board members Stephanie Armstrong and Justin Kurtz.

We are excited for our move to a new facility. I-55 Stables and Arena in Divernon, IL. They are a recently purchased stable who is constructing a great facility. It will have a 120 x 300 covered arena as well as a 120 x 200 outdoor adjacent to it. The arena structure is up and is being finished and construction has begun on 5 stall barns with 100 stalls and 30 electrical hookups with 30 amp RV plugs. We recently went to see the facility and are impressed with the facility so far and owners Ken and Brandi's plans for what it will be when finished.

Thanks go out to Eva, Laurie, Sandy and Tina for a great banquet in January.

We are getting things together for our fundraiser raffle and hope to have tickets at IBHA convention if not they will be ready for first show.

Memorial weekend will be a 2 day show instead of our normal 3 due to Cassidy graduating. We will be having 3 judges on Sunday and 2 on Monday for this show. Thanks to all who have volunteered to help getting things relocated and set up for this show since Tina and I will be late getting down to get set up.

Good luck to everyone in 2025 and we are looking forward to growing the club this year.

Sincerely,

A handwritten signature in cursive script that reads "Dan Vincent".

Welcome to the Wonderful World of Buckskins!

The International Buckskin Horse Association was incorporated in 1971 to meet the needs and desires of Buckskin owners throughout the world. IBHA operates on a world-wide basis with horses registered horses in Australia, Bahama Islands, Canada and the United States. IBHA membership is available to any person who is the owner of a Buckskin, Grulla or Dun—or anyone who is merely interested in this type of horse! IBHA members receive reduced rates on registration of horses.

IBHA recognizes the following colors as being eligible for registration:

BUCKSKIN: A true colored buckskin should be the color of tanned deerhide with black points. Shades may vary from yellow to dark gold. Points (mane, tail, legs) can be dark brown or black. Buckskin is clean of any smuttiness. Guard hairs which are buckskin colored grow through the body coat up over the base of the mane and tail.

DUN: Dun is an intense color with a hide that has an abundance of pigment in the hairs. The dun color is a duller shade than buckskin and may have a smutty appearance. Most dun horses have dark points of brown or black. Dun horses sport the “dun factor” points which include dorsal and shoulder stripes, leg barring, etc.

GRULLA: Grulla is also an intense color. The body color can be mouse, blue, dove or slate colored, with dark sepia to black points. Grulla (pronounced grew-yah) has no white hairs mixed in the body hairs. Grulla horses have the dorsal and shoulder stripes, and leg barring.

RED DUN: The Red Dun will vary in shades of red, in the range of peach to copper to rich red. In all shades, the accompanying points will be darker red or chestnut and be in contrast to a lighter body color. Red Dun must have a definite dorsal stripe to be eligible. The dorsal stripe will usually be dark red and predominant. Leg barring and shoulder stripes are common. Horses with faint dorsal stripes that do not appear on photos may be denied registration.

BRINDLE DUN: A different and unique body coloration with stripes appearing over the barrel of the body and most, if not all, the dun factor characteristics. Brindle Duns show up in the Netherlands and they are referred to as an ancient dun color. The peculiar body markings can appear in the form of tear drops or zebra stripes.

NOTE: Horses of different coat colors may appear to have dun factor characteristics—decisions on color eligibility will be made by the IBHA Dun Factor Committee should body color or eligibility be questionable. Any horses having Albino, Appaloosa, Paint or Pinto characteristics are not eligible for registration. Mature horses must be a minimum of 14 hands.

WHITE MARKINGS AND CONFORMATION: White markings on the face and lower leg are acceptable. Blue eyes are permissible providing the body color and conformation is acceptable. The horse should be a good representative of its breed—conformation varies from the Arabian type to the Quarter Horse type. Horses showing draft characteristics or undesirable inherent qualities would not be accepted for registration.

Just the facts...about Dun Factor!

Dun Factor is a desirable characteristic in the color breed. IBHA shows offer a special "Dun Factor" class which recognizes individuals with outstanding dun traits. The dun factor points include;

dorsal stripe

ear tips and ear edging

shoulder stripe or shadow

leg barring

face masking

mane and/or tail frosting

and guard hairs

cobwebbing

mottling

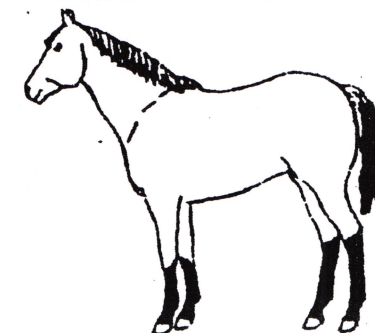

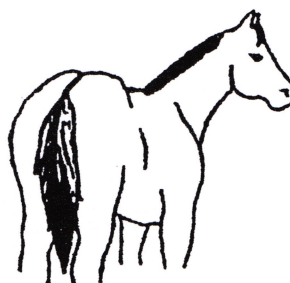

neck shadow

Dun factor classes are open to all IBHA registered mares, stallions and geldings. It is not divided for color, sex or age. Conformation is considered in judging, not less than 10% nor more than 20%.

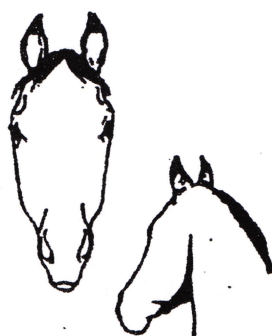

Excessive white markings are not desirable if they cover areas where dun factor points would be.

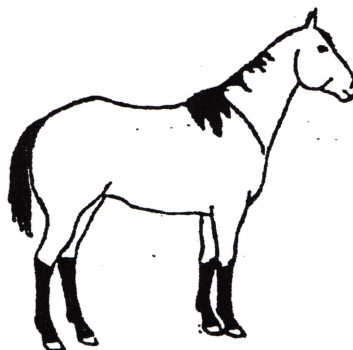

The dorsal stripe will run along the backbone from the withers to the base of the tail. The width will vary, with bars and/or brindle strips running from the stripe ideal.

White hairs which are interspersed through the mane and tail. These frosted hairs may shed during the summer months.

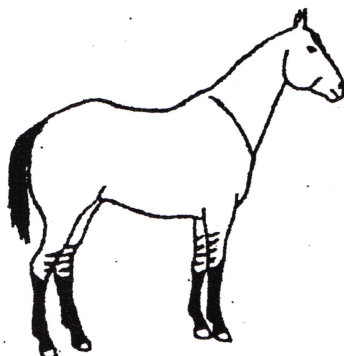

Ear tips and edges appear darker than the body color. Ears are usually outlined on the edges.

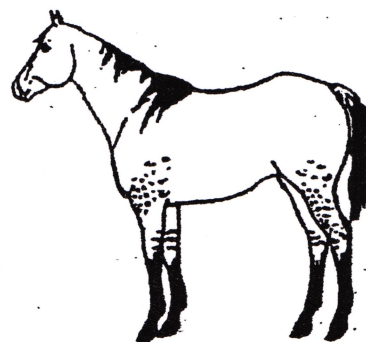

Neck shadowing appears as dark areas through the neck, extending into the hollow of the shoulder. Shadowing may appear only on the crest, or as dark lines pointing down from the base of the mane.

Cobwebbing starts under the forelock and appears as lines extending in varying lengths over the forehead, or around the eyes.

Leg barring can be seen on inside and outside surfaces of both front and hind legs.

Mottling is found on the forearm, gaskins, shoulders and stifles in a circular motif.

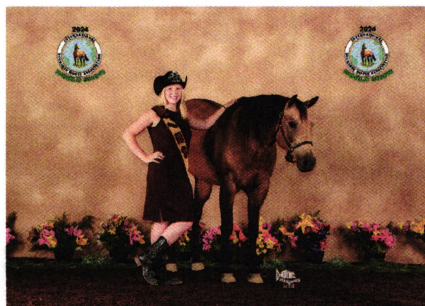

Face masking can be seen as black, brown or red shading across the bridge of the nose.

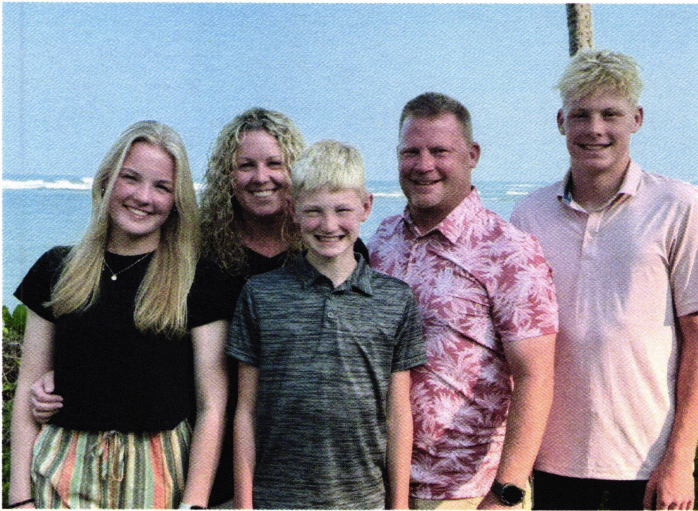

“Cassidy”

Hello, my name is Cassidy Vincent. I am 18 years old and I am a senior at Rochelle High School. As a senior I am proud to say that I am attending Rock Valley College in the fall of 2025 to bowl as a Golden Eagle for the next two years. Outside of showing, I bowl for my high school team, and now year round with several organizations to continue to become a higher skilled bowler. This year I became a four time sectional qualifier where I then nearly qualified for state and placed 12th overall. I love hanging out with my friends, reading, attending sports events, and watching sunsets. Along with showing, I enjoy going to the barn and working as many horses as possible with my godmother. When I am showing I love being around my friends and meeting new people wherever I go.

I have been both an ISBA and IBHA member for the majority of my life. I will again be showing my mare Jet N Butterscotch or “Bubbles” for our eighth year together. We have had a very successful Youth All Around career in both All Around and the Youth Ranch division, and I hope to only make it better for my last season as a youth exhibitor. This year I will also be showing my godmother’s two year old filly Shez a Willy Whiz or “Zazzy” in the two year old classes. I cannot wait for this year's adventures, and I am extremely excited to watch this show season unfold.

It takes a village to keep my horses healthy and maintained so I want to give a special thanks to Laurie Kristoff for not only letting me lease Butterscotch and work/show Zazzy and to also keep them healthy. Another thank you to Adam Meyer for keeping them sound, and Jeremy Chenoweth for keeping my horse’s mouths comfortable. Lastly, a huge thank you to my parents for giving me all these opportunities and pushing me to become the best showman I can be.

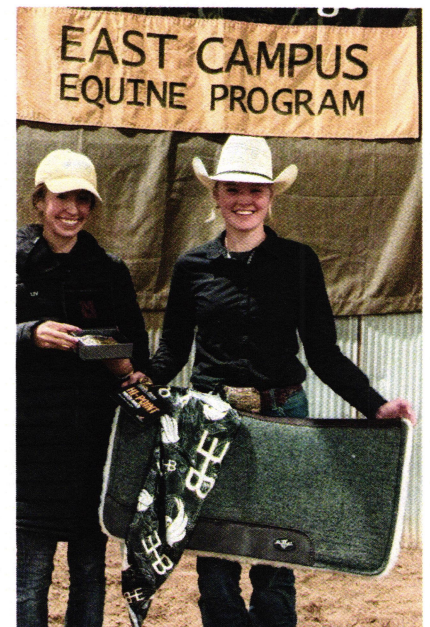

Hi! My name is Kayley Thiel, I am 16 years old and a Junior at Dunlap High School. I enjoy many things outside of the barn like hanging out with my friends, studying at the library, and shopping. This will be my third year showing as a member of the youth team and with ISBA. I can't wait for the 2025 show season!

I will be showing Sam Summers' horse, Duals Lookin Cool (aka Blue), for the second year. Last year I went to my first Buckskin World Show and I am very excited for what Blue and I will accomplish this year. I have a horse of my own, Penelope Cruze, but she had last year and this year off because of an injury. I rode English and Western Pleasure with her, so it was a big change when I switched to Ranch with Blue, but it's definitely starting to grow on me!

I am so thankful to Sam and Eva because they gave me a chance to keep showing when Penny couldn't and I am very grateful for all the support I have received. I have learned so much this past year and cannot wait to continue. I wish everyone good luck and can't wait to see you in the ring!

"Khloe"

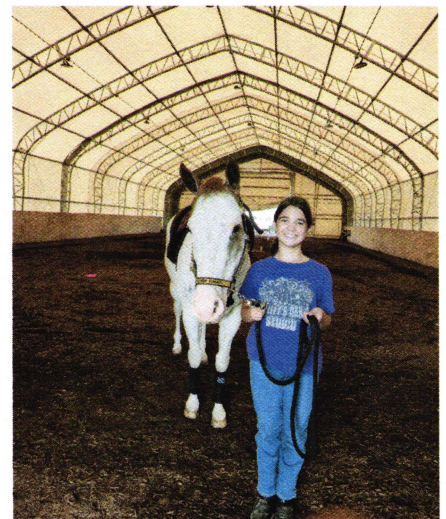

Hello, my name is Khloe Armstrong and I am 11 years old and a 5th grader at Milledgeville elementary school in Milledgeville, IL. I live with my parents Ken and Stephanie, older sister, Sophia, and younger brother, Sawyer.

Recently I joined a riding team called YEDA (Youth Equestrian Development Association). I am excited for this opportunity.

Besides riding and showing horses. I enjoy volleyball, basketball, the school musicals, cheer, dance, and spending time with my cat, Pickles!

This is my 1st year on the Youth Team and excited to be part of it! I am looking forward to the showing and seeing everyone.

This year I will be showing Imzippinonmyharley also known as Harley in the youth gelding halter and youth walk/trot showmanship. Also look for me in the All Breed classes with my horse Invested N White also known as Rosie. I want to wish everyone a wonderful show season. Also thank you to Ed and Sandy Anderson for all your help and always supplying snacks for my sweet tooth!

INSTRUCTIONS:**PLEASE READ CAREFULLY**

It is essential that you keep accurate records. In any case where an application may be regarded as questionable, the burden of responsibility shall rest on the applicant who shall sustain any claims by a preponderance of evidence.

SECTION 1. Be sure to give three name choices when filling in application. Duplicate names may not be used and if only one name is given and that name is already in use, there will be a delay in processing of your certificate. Should a horse be registered in another registry the registered name must be first choice on this application.

SECTION 2. Fill in all known pedigree information you have regarding your horse. If unknown, state so in blank. When pedigree is claimed, we must have some sort of proof. Please furnish a breeder's certificate or copy of same, or registration certificate (or copy) from some reputable registry, or other reasonable proof. If registration certificates are sent they will be returned immediately. If you are unable to furnish proof, pedigree will be listed as "unknown".

NOTE: If animal being registered is also registered in some other breed organization, please give the registration number and name of registry. _____

SECTION 3. Write your natural signature, then print or type your name carefully in space provided. Give your complete mailing address and Zip Code.

BREEDERS CERTIFICATES MAY BE OBTAINED FROM THIS OFFICE ON REQUEST.

MARKINGS: On the reverse side there are diagrams showing the horse from each side. These diagrams are important. Draw all white markings in carefully (do this with the horse in front of you to be accurate). Be sure to indicate how the markings (white) appear on the legs from both front and hind views. These markings will be transferred to the registration certificate and must be an accurate description of your horse. Failure to use care could cause problems at some time if the registration certificate does not match your horse. Scars and brands must be shown on the application.

PHOTOS: Four clear color photos are required to complete the registration. Photos will be kept in the files. Photos should show the horse from right and left sides, as well as front and hind views. Stand the horse on pavement or smooth ground so that white markings on the legs are shown clearly. Foretop should be pulled aside to show face markings completely.
