2022 I.S.B.A Queen

Hello everyone, my name is Isabel Dailidonis. This year, I have the privilege of representing the Illinois Buckskin Association as their 2022 Queen. I have been involved with this club since 2012 and was a member of the youth team while I was showing my grulla gelding, Obviously Supersized, aka "Smokey". Coming into my junior year of high school and into college, my academics became exceedingly more demanding, and I had to postpone my show career.

I was accepted into the Indiana University School of Nursing and have been working hard at my studies to become a registered nurse. I love the sciences and advocating for my patients.

I also started working part-time at Methodist Hospital in Indianapolis, a level one trauma center. I'm learning so much and am grateful for the opportunity to serve my patients. The pandemic has been challenging to say the least, but it has fueled my fire to do more! Thankfully, I have found a balance and look forward to showing with all the people I know and love, and I look forward to getting to know new ISBA members in the coming year.

It has been such an incredible journey becoming a part of this wonderful organization! I would like to thank my parents, Diana and John Dailidonis for making all of this possible and allowing me to pursue these dreams and goals I've had since I was a little girl; Ivy Craney for introducing me to buckskin showing; Darlene Morawski for finding PS Perfect Potential "Maybelline" aka "Maybe" for me and Tony Morawski for always putting a smile on my face; Ed and Sandy Anderson for all of their guidance throughout the years, and helping me becoming the equestrian I am today;

Judy Moosmann for training Maybelline and helping us become a team; the Vincent family for all of their support; Ron Peters for the privilege of letting me ride TJ for my Queen's ride; and last but not least, ISBA for allowing me to represent them, and providing me with my "horse family"!

My goal is to represent this club to the best of my ability and in the most positive way possible.

Thank you and good luck to all the 2022 exhibitors! I can't wait to see you all!

Isabel

Hi...I'm Mia Hayes. I am 18 years old and a senior at Marquette Academy in Ottawa, IL. I live with my parents, Aaron and Rachel, my sister Samantha, and my nephew, Hunter.

I have been on the ISBA Youth team for at least 5 years now (maybe more I can't remember) and am proud to serve as the team Captain this year. I LOVE our team! We have the best people and are supported by the best leaders, parents and grandparents. I like mentoring the younger kids and working alongside my friends to work together towards goals for our team. Sadly, this will be my last year in the youth division. I will have a lot on my plate as I will be trying to accomplish some youth goals that need to get done this year.

In the fall, I've been accepted to Olivet Nazarene University and will be attending in the fall to study Early Childhood education with hopes to fulfill my dream of being a preschool teacher when I graduate in 2026! Seems like a long time from now but it's really not.

My horse's name is "Too Hot To Be Lazy" and we call him Cruzer. We have started on some new journeys this last year and will continue on that same path this year. Branching out from our Western attire and including English classes has been a challenge for me since it was so long ago that I've had to do that but we've made great advances so far. I'm excited to do even more this year to help me, Cruzer and my team at the ISBA World Show!

I am lucky to have been part of the "Timber Ridge" show team for many years and my trainer, Cheyanne always pushes us to be our best. She has really helped put in the time with Cruzer making sure we are ready for our classes both mentally and physically. She has done so much for me over the years and I am forever grateful for her friendship, laughs and kindness!

Thank you to the folks who believe in us and help support us all year long. My trainer, Cheyanne, my Nana, Papa and my parents of course. Kolt and Jacky Reynolds from "Slidin R Western Outlet", Dr Dell at "Chessie Lane Animal Hospital", Bill at "Bill Rose Horseshoeing", and my great grandma Linda Stohr from "Stohrs Kennel". You are all an important part in my and Cruzers success!

Good luck to everyone this year! I hope you have a great year and always get your number called!

Mia

BROOKLYN HUBBARD & SCAMPS IZZY BUCK

Brooklyn is a 16 year-old sophomore from Iowa. This will be her 7th year showing buckskins! 2021 was a very good year for this team! They were the IBHA World Champion in Youth 14-18 Hunter Under Saddle. They were also the IBHA Reserve World Champion in both Youth 14-18 English Discipline Rail and Youth 14-18 Western Trail. Brooklyn & Izzy completed 3 more ROMs for a total of 10. Even though this team couldn't attend many shows, they still won the Heartland Buckskin High Point All-Around Youth & the UMBHA Reserve High Point All-Around Youth awards. They also did well on the IBHA Honor Roll. Brooklyn is very active in her high school. She is a letter winner in academics, track, softball, cross country, and silver cord service. She also participates in varsity & competition dance teams, basketball, and spring musical. Brooklyn would like to thank Ed & Sandy Anderson for their guidance through the years! She would also like to thank her mom & dad for all their effort to make sure she can participate in school activities AND show horses! Brooklyn can't wait to see her buckskin family in 2022! She wishes everyone good luck!

“Cassidy”

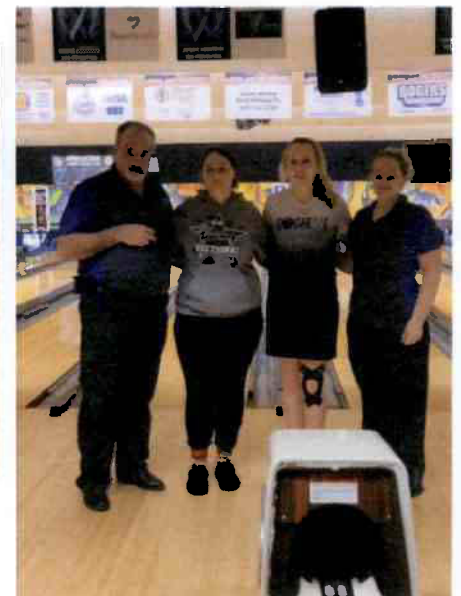

Hi, my name is Cassidy Vincent, I am 15 years old and I'm a freshman at Rochelle Township High School. Some of my hobbies outside of show season include color guard and marching band, and bowling varsity on the high school bowling team. This year I qualified for sectionals and came up short by 28 pins of going to state. I also enjoy hanging out with my friends and going to high school football games. I also love helping Laurie at the barn working with the horses. During show season I love traveling to new places, meeting new people from other places, and representing ISBA wherever I go.

I have been an exhibitor of ISBA and IBHA for as long as I can remember. This year I will be again showing my 11-year-old, Jet N Butterscotch aka Butterscotch/Bubbles for our 5th year together. We have already been through so much together as a strong team, and will continue going for our superiors. I will continue showing my 3-year-old mini BDM's Bonita Mystica in the miniature division.

I want to thank Dr. Laurie Kristoff for letting me lease such an amazing horse that has taught me so much. Jeremy Chenoweth for keeping my horses' teeth in amazing condition, and Adam Meyer for keeping them sound. Also, I'd like to thank Penny Oleson for letting me show her amazing 2 year old Kahlua Dun Twisted in the 2 year old division. And a huge thank you to all my friends for supporting me through everything throughout the year.

I can't wait to see everyone again this show season and meet more new people! I'm so excited to be back in the ring with you all!

Hello! My name is Oakley Craig. I am 11 years old and I attend Durand Grade School in Durand IL. I live out in the country with my mom, Cheyanne, and my brother, Cash. Grandma and Grandpa Harbison live next door to us as well.

I really like to be outside and keep busy. I love to hunt, fish and ride the 4 wheelers on our property. I also went to dance classes and had my first recital the end of last year. That was fun too!

My horse's name is "De Dusty Invitation" and we call her Dusty. I've had some great show memories over the years. Dusty and my favorite classes are the barrels and poles! My horse really likes to "tear em up" and go fast! She also is a pretty cool showmanship and pleasure horse as well. She does EVERYTHING – even English trail where we have to jump!

I've been on the ISBA Youth team for 3 years now and I really like everyone on the team. Everyone is helpful and we all help each out and support each other. I think we have a great team! I look forward to going to the shows to hang out with my friends and show our horses. We also have a great time outside of the show pen as well.

My mom is a trainer and she helps guide me some but I really like to train my own horse. I'm pretty independent! Everything we accomplish is because I work hard at becoming a team with her and sharpening our skills. Sometimes my mom even lets me help with some of the training horses. They have to be the quiet ones though but it's fun to ride other horses sometimes too! Maybe I'll be a trainer like her someday when I'm older!

Thank you to my Uncle Chad from "Chad's Excavating" and our friend, Brian, at "Folk Race Cars" for helping sponsor me this year! You guys are great!

Good luck to everyone this year! I hope you always get your number called!

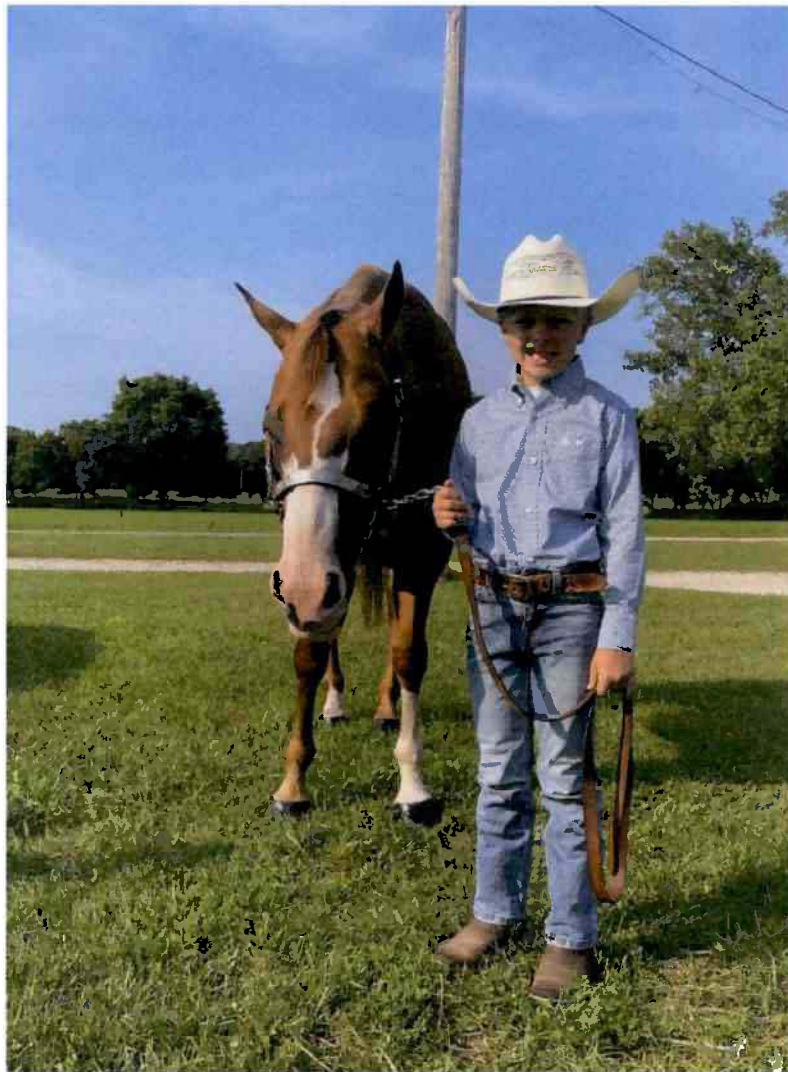

Proudly Sponsored By:

"Ty"

Tyler Denton is excited to begin his 2nd year with the ISBA Youth Team! Tyler, 8, is showing with his "Cousin Justin" He just completed 2nd grade at Oak Hill Elementary School in Lowell, IN. besides going to horse show, Ty plays soccer and baseball and participates in religious education classes. He has two brothers, Jackson (10) and Jordan (18), and 3 dogs. His favorite subject in school is math.

For the 2022 season, Tyler is looking forward to spending time with his big sisters and extended horse show family. He is planning to show in the walk-trot showmanship and in a halter class.

Welcome to the Wonderful World of Buckskins!

The International Buckskin Horse Association was incorporated in 1971 to meet the needs and desires of Buckskin owners throughout the world. IBHA operates on a world-wide basis with horses registered in Australia, Bahama Islands, Canada and the United States. IBHA membership is available to any person who is the owner of a Buckskin, Grulla or Dun—or anyone who is merely interested in this type of horse! IBHA members receive reduced rates on registration of horses.

IBHA recognizes the following colors as being eligible for registration:

BUCKSKIN: A true colored buckskin should be the color of tanned deerhide with black points. Shades may vary from yellow to dark gold. Points (mane, tail, legs) can be dark brown or black. Buckskin is clean of any smuttiness. Guard hairs which are buckskin colored grow through the body coat up over the base of the mane and tail.

DUN: Dun is an intense color with a hide that has an abundance of pigment in the hairs. The dun color is a duller shade than buckskin and may have a smutty appearance. Most dun horses have dark points of brown or black. Dun horses sport the "dun factor" points which include dorsal and shoulder stripes, leg barring, etc.

GRULLA: Grulla is also an intense color. The body color can be mouse, blue, dove or slate colored, with dark sepia to black points. Grulla (pronounced grew-yah) has no white hairs mixed in the body hairs. Grulla horses have the dorsal and shoulder stripes, and leg barring.

RED DUN: The Red Dun will vary in shades of red, in the range of peach to copper to rich red. In all shades, the accompanying points will be darker red or chestnut and be in contrast to a lighter body color. Red Dun must have a definite dorsal stripe to be eligible. The dorsal stripe will usually be dark red and predominant. Leg barring and shoulder stripes are common. Horses with faint dorsal stripes that do not appear on photos may be denied registration.

BRINDLE DUN: A different and unique body coloration with stripes appearing over the barrel of the body and most, if not all, the dun factor characteristics. Brindle Duns show up in the Netherlands and they are referred to as an ancient dun color. The peculiar body markings can appear in the form of tear drops or zebra stripes.

NOTE: Horses of different coat colors may appear to have dun factor characteristics—decisions on color eligibility will be made by the IBHA Dun Factor Committee should body color or eligibility be questionable. Any horses having Albino, Appaloosa, Paint or Pinto characteristics are not eligible for registration. Mature horses must be a minimum of 14 hands.

WHITE MARKINGS AND CONFORMATION: White markings on the face and lower leg are acceptable. Blue eyes are permissible providing the body color and conformation is acceptable. The horse should be a good representative of its breed—conformation varies from the Arabian type to the Quarter Horse type. Horses showing draft characteristics or undesirable inherent qualities would not be accepted for registration.

Just the facts...about Dun Factor!

Dun Factor is a desirable characteristic in the color breed. IBHA shows offer a special "Dun Factor" class which recognizes individuals with outstanding dun traits. The dun factor points include:

dorsal stripe

ear tips and ear edging

shoulder stripe or shadow

leg barring

face masking

*mane and/or tail frosting
and guard hairs*

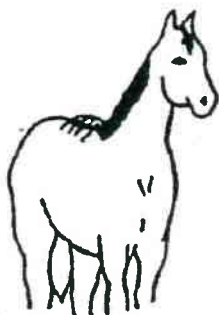

cobwebbing

mottling

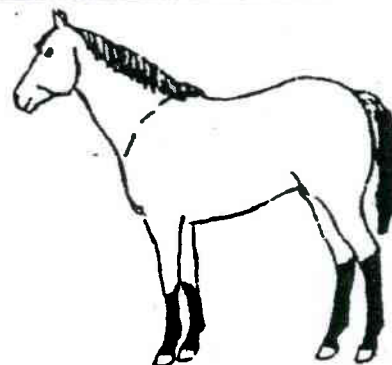

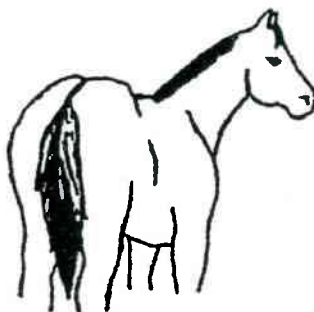

neck shadow

Dun factor classes are open to all IBHA registered mares, stallions and geldings. It is not divided for color, sex or age. Conformation is considered in judging, not less than 10% nor more than 20%.

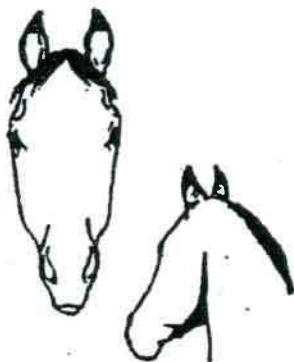

Excessive white markings are not desirable if they cover areas where dun factor points would be.

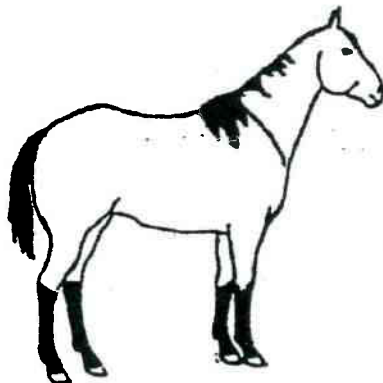

The dorsal stripe will run along the backbone from the withers to the base of the tail. The width will vary, with bars and/or brindle strips running from the stripe ideal.

White hairs which are interspersed through the mane and tail. These frosted hairs may shed during the summer months.

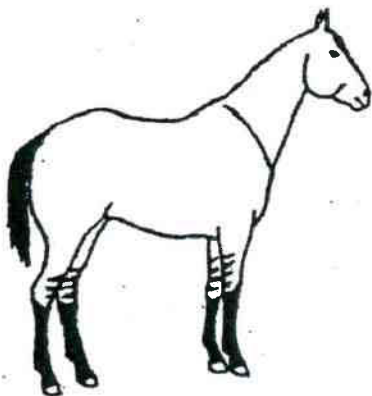

Ear tips and edges appear darker than the body color. Ears are usually outlined on the edges.

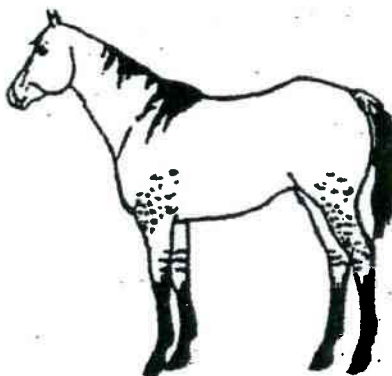

Neck shadowing appears as dark areas through the neck, extending into the hollow of the shoulder. Shadowing may appear only on the crest, or as dark lines pointing down from the base of the mane.

Cobwebbing starts under the forelock and appears as lines extending in varying lengths over the forehead, or around the eyes.

Leg barring can be seen on inside and outside surfaces of both front and hind legs.

Mottling is found on the forearm, gaskins, shoulders and stifles in a circular motif.

Face masking can be seen as black, brown or red shading across the bridge of the nose.

If registration certificates are sent they will be returned immediately. If you are unable to furnish proof, pedigree will be listed as "unknown".

NOTE: If animal being registered is also registered in some other breed organization, please give the registration number and name of registry. _____

SECTION 3. Write your natural signature, then print or type your name carefully in space provided. Give your complete mailing address and Zip Code.

BREEDERS CERTIFICATES MAY BE OBTAINED FROM THIS OFFICE ON REQUEST.

MARKINGS: On the reverse side there are diagrams showing the horse from each side. These diagrams are important. Draw all white markings in carefully (do this with the horse in front of you to be accurate). Be sure to indicate how the markings (white) appear on the legs from both front and hind views. These markings will be transferred to the registration certificate and must be an accurate description of your horse. Failure to use care could cause problems at some time if the registration certificate does not match your horse. Scars and brands must be shown on the application.

PHOTOS: Four clear color photos are required to complete the registration. Photos will be kept in the files. Photos should show the horse from right and left sides, as well as front and hind views. Stand the horse on pavement or smooth ground so that white markings on the legs are shown clearly. Foretop should be pulled aside to show face markings completely.

Once again we are honored and blessed to have many IBHA Honor Roll and Reserve Honor Roll Titles and an All Around and Reserve All Around Champion. In addition, our clients have won many state titles, All Around titles and Reserve All Around titles in three different state associations! None of this would be possible without our wonderful, talented customers, talented horses and our many friends.

We would like to thank Lauren Pfarr for taking such great care of our farm and horses while we are on the road.

Thank you to Steve Williams (our #1 mechanic), Tiffany, Dakota, McKenna & Thom for everything you do for us. We truly appreciate it. Thank you to all the guys and gals on the Five "O" Maintenance crew for lending a hand, no matter what is needed. Your help is greatly appreciated.

To Ron Peters - Thank you for all you do for us and to all our customers for always pitching in.

To Andrea McGowan, DVM, Bill Faulkner, our farrier and Mike Buskohl, our equine Chiropractor ~ Thank you for keeping our horses healthy and sound.

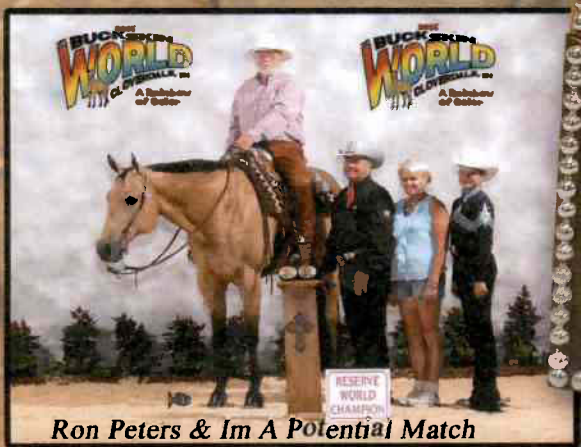

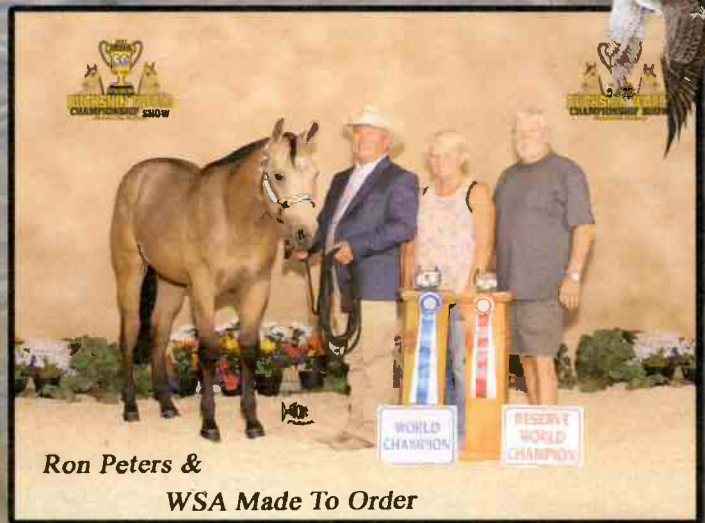

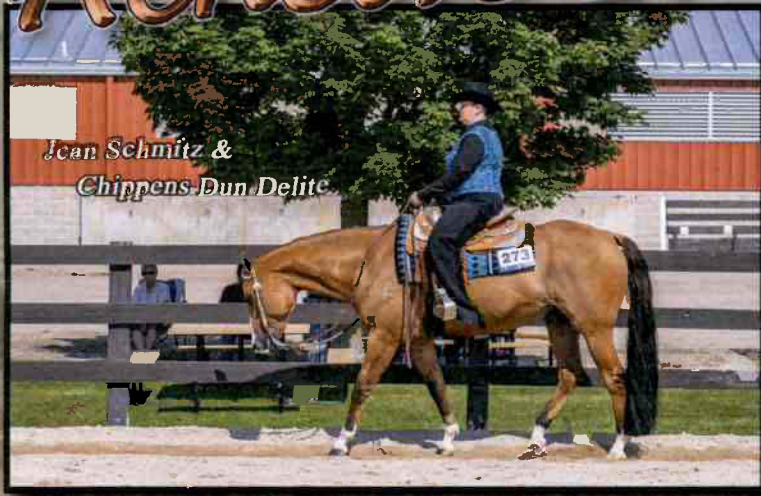

Last, but not least, we Thank God for being with us every "Stepp" of the way. Without all of you, Five "O" Stables would not have the success we do. We Love all of you!
